

CALLING ALL SMART COOKIES!

Parents and guardians are invited to join their *Smart Cookie* Girl Scouts at a special meeting where girls decide how many cookies they want to sell in this year's Girl Scout Cookie Program and what they want to do with the proceeds they earn.

When: _____

Where: _____

Research shows that girls are more successful in the cookie activity when parents and guardians attend training. All you have to do is show up—and your Girl Scout wins! See you there.
