

How many Cookies can you fit in your Car?

Need to know how many cases of Girl Scout Cookies you can cram in your car? If your car is empty except for the driver and is tightly packed with cases of Girl Scout Cookies, it should hold the following:

Vehicle	Approximate # of cases
Compact or 3-door	23
Hatchback or small wagon	25-30
Mid-size sedan (using back seat and trunk)	35
8-passenger minivan or sport utility	60
Full-size station wagon	75
Full-size van with seats	150
Full-size van without seats	200
