

MAKING DECISIONS TO BE

Environmentally Aware

What You Can Do Individually to Be Environmentally Aware

- Walk
- Plant trees
- Take shorter showers
- Use recycled paper as wrapping paper
- Recycle magazines by distributing them to others
- Keep the thermostat turned down in cold weather and up in warm weather
- Recycle old jewelry to make new jewelry
- Ride your bike
- Put washers on leaky faucets
- Turn off water when brushing your teeth
- Donate used clothing
- Start a uniform swap in your Girl Scout Council service unit
- Repair and donate old toys
- Ask your parent to carpool
- Start a community garden

What Your Troop or Group Can Do to Care for the Earth

- Coordinate an environmental service project
- Sponsor or set up an exhibit at an environmental fair
- Plan a minimal-impact camping trip
- Remember to reduce, reuse and recycle!
