

Money Counts

Financial Literacy Resources

Money does count! Here are some quick links and ideas you can use to help girls think about the importance of money in their lives. All resources can be found in the Girl Guide to the 2010/11 Cookie Activity.

Getting It

Be Your Own Boss Test

Keeping It

Spending Smarts Video

<http://pbskids.org/itsmylife/video/index.html>

Keep A Notebook

Girls write down how much money they have and where they spend it.

Tour A Local Bank

Help girls arrange a tour to learn how a bank works and how they can open a savings account.

Spending It

Mad Money Game

Sharing It

Organize a Clothing Drive

Girls collect nice clothes that people no longer want and give them to an organization that will share them with people who cannot afford brand new clothes.

Tour a Charitable Organization

Girls learn about how important groups like this are and the many good things they do in your community.

Millionaire Give Away Game

Girls pretend they have a million dollars to donate to people or groups that need help. Share with others where they'd put the money and why.
